

As Horizon Dental Group, our entire team is passionate about one simple, unified mission; to provide exceptional dental care to our patients while making a positive impact within our community. Focusing on these two goals allows us to make a difference in our community, directly and indirectly through dentistry. We pledge to always continue our dedication to our amazing patients and to the community that we are so fortunate to call home.

Located in the mountains about 1.5 hours north of Phoenix and known as “Everybody’s Hometown”, Prescott and the Quad Cities area enjoy 277 days of sunshine each year and a wonderful mile-high, very desirable four mild seasons. World class hiking trails, amazing golf, recreational water sports, mountain biking, trail running, and hunting are all part of the terrific Prescott lifestyle.

Our quaint community also offers excellent schools, a variety of historic interests, activities and attractions in and around our historic downtown “Whiskey Row”, great food and entertainment, and is rated a 7.9/10 in the annual Best Places Comfort Index and listed on CNN’s Best Places to Retire, CNN’s Best Places to Live, Sunset Magazine’s Best Value Town in the Southwest, and National Geographic’s America’s Best Adventure Towns.

At Horizon Dental Group we offer:

- Competitive compensation
- Best-in-class administrative and clinical support with mentorship opportunities to expand your clinical expertise (we want you to win!)
- Enjoyable, collaborative, and positive environment
- Signing bonus and incentives including health insurance, PTO, 401k, and paid holidays for qualified candidates
